

Kreston IDM strengthens its legal practice by merger

Kreston IDM is pleased to announce its merger with law firm JMSR Abogados.

November 30, 2011

Kreston IDM and JMSR Abogados join efforts to reach their client's goals. "Local leadership, global coverage," is the theme of this successful integration.

As part of the reopening event of their offices located at Avenida Paseo Bonita No. 351-B, Cuesta Bonita, in the city of Queretaro, Mexico, the prestigious law firm JMSR Abogados, SC (Jimenez, Marquez, Senties, Sosa & Reyes Retana) announced its integration to Kreston IDM, market leader in business consulting services. This integration will be effective from December 1st, 2011.

With this integration, Kreston IDM comprises more than 31 partners and 350 professional and support staff. As a 7 partners and 40 lawyers firm, JMSR Abogados offers a full client service range including the following:

Antitrust, Arbitration, Aviation Law, Banking, Energy, Financial Restructuring, Insurance, Environmental, Intellectual Property, Litigation, Mergers and Acquisitions, Project Finance, Real Estate, Regulatory, Finance, Securities, Tax, Sports & Entertainment, Telecommunications.

JMSR Abogados have participated in the Corporate Council and other bodies operating in various businesses with a fully bilingual service which guarantees legal security to our clients and a competitive advantage.

The incorporation will complement Kreston IDM current services on Audit, Tax Consulting, Labor and Social Security, Transfer Pricing, Business Process Outsourcing, IT, Foreign Trade, New Business Development, Financial Advisory, Risk Management and Real Services Estate, addressing the needs of the business community from our modern offices located in Juarez, Mexico City, Chihuahua, Guadalajara, Manzanillo, Merida, Monterrey and Queretaro.

About this merger, Mr. Mario Reyes Retana Popovich, Partner at JMSR Abogados and member of the Board of Directors of Kreston IDM said:

"Our integration with Kreston IDM is the result of a close professional collaboration that has existed between our organizations for several years and we have confirmed that both Kreston IDM as JMSR Abogados shared values, principles and business culture, towards our clients and our people.

This consolidation will significantly contribute to strengthening our services portfolio, providing our clients comprehensive solutions to support them when starting operations in Mexico and abroad, the healthy compliance with applicable laws and exploring opportunities to maximize their business value, all with a high level of excellence and multidisciplinary approach. "

Agustín Mendoza, Kreston IDM CEO, says:

PRESS RELEASE

"In recent years, Kreston International has turned its attention to Mexico as an example of collaboration between partners and with assignments. For us at Kreston IDM, it was natural to follow the spirit of our firm "Local leadership, global coverage" in parallel to our institutional work plan reaching international quality standards, diversifying our portfolio of business solutions and inviting to join our firm, as we did in the past with other excellent professionals, to JMSR Abogados, with whom we trust to achieve our goal of being the best choice in professional services of Audit, Tax and Business Consulting in Mexico. "

Alejandro Isas, Kreston IDM COO, comments:

"By this move, we are positioning Kreston IDM as one of the top choices for business advisory in Mexico. With a broader service range we are setting the bar for mid-tier consulting firms, always keeping in mind our strict client focus delivering trustable solutions".

Kreston IDM is a member of Kreston International Ltd, the 13th largest accounting firm and consulting businesses worldwide, according to International Accounting Bulletin. Founded in 1971, Kreston International is continually growing the global network has members in 90 countries, more than 700 offices and 19,000 professionals.

Kreston IDM, through its membership of Kreston International is member of the Forum of Firms, an organization that promotes a high level of quality in the services provided by firms worldwide.
